

TAFT COLLEGE IGETC

Intersegmental General Education Transfer Curriculum Counseling Form

Name: (please print) _____ SSN: _____

Read first: Important information regarding the appropriate use of the IGETC Counseling Form.

1. Completion of all of the requirements in the IGETC will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division general education courses.
2. The IGETC is not advisable for all transfer students (*see bottom reverse side for list*).
3. Transfer students, pursuing a major that requires extensive lower-division preparation, may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC Campus or college to which they plan to transfer.
4. The IGETC must be completed in its entirety before transferring; no partial IGETC will be certified.
5. All courses must be with "C" grades or better.
6. Transcripts to verify courses completed at other colleges must be submitted prior to certification and can only be certified in the IGETC category determined by the original college. (See #8 regarding high school transcripts)
7. Courses taken at foreign institutions will not be permitted for IGETC certification.
8. If the foreign language requirement was satisfied in high school, the student's high school transcript must be submitted prior to certification.
9. Coursework completed for the IGETC will be honored for certification provided that the courses were on the college's approved IGETC list at the time the courses was completed. (*See a counselor for further information.*)
10. Students who initially enroll at a UC campus, leave and attend a community college, then plan to return to the SAME UC campus cannot use IGETC. Consult a counselor for detailed information.

Directions: *Indicate courses completed at Taft College and list courses taken at other colleges. If an AP exam was taken, list the AP dates and scores (3, 4, or 5 can be used to satisfy any category of the IGETC except the Area 1B category.) Circle courses taken at Taft College. Indicate total units completed in column.*
